

Publication Scheme

Our Publication Scheme lists information which you can obtain from Council. The information is organised into seven groups. Most Queensland government web sites provide information in a similar way.

About us	Who we are and what we do
Our Services	Information about the services we deliver, including advice and guidance, publications and newsletters, media releases
Our Finances	What we spend and how we spend it, including our financial statements and our financial management practices
Our Priorities	Councils' priorities and how well we are meeting those priorities
Our Decisions	The outcomes of decision-making processes
Our Policies	Policy and policy related documents
Our Lists and Registers	Information that is held in a register required by law or another list or register relating to the functions of Council
